Artists Walkthrough at Tufenkian Fine Arts

The Tufenkian Fine Arts Gallery is pleased to announce the Artists' Walkthrough to close the exhibition "Conversations".

This show features recent works by artists Nano Rubio, Sergio Witron and Carlos Beltran Arechiga. Included in the exhibition will be new works that delve further into the aesthetics and ideas exploring the contemporary state of painting in Los Angeles and the cultural contributions offered by Latino artists in southern California.

Witron, Beltran Arechiga and Rubio will give a walkthrough of the exhibition on Saturday March 3rd, at 3pm.

The works by these artists conjure a mood of both familiarity and disquiet, quietly interacting with our own sense of place and memory.

A portion of the sales from this show will fund scholarships for the [Orange County Children's Therapeutic Arts Center](#) located in Santa Ana, CA.

OCCTAC believes art instruction makes a difference; their mission is to provide innovative, artistic, educational and therapeutic programs that inspire and transform children, at-risk youth, and their families to fulfill their highest potential.

The gallery's hours are Monday through Friday, 11 am to 5 pm, and Saturday, by appointment.
